Women Empowerment Award

Meet the 2024 Winners

15 Winners

The Bayer Foundation Women Empowerment Award Winners

The Bayer Foundation Women Empowerment Award, in collaboration with the Impact Hub Network, is delighted to announce the 15 remarkable winners selected from a pool of 2,276 applicants in this year's evaluation process.

These outstanding awardees represent a diverse range of women-led enterprises spanning the regions of Asia Pacific, Latin America and Africa. They represent a diverse range of women-led enterprises tackling pressing challenges in the areas of health, nutrition, and related climate solutions. Let's take a look at the remarkable women and their enterprises:
